

SHASHI KANT

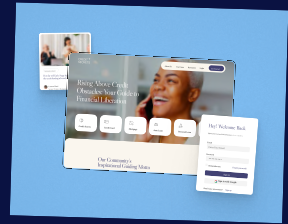

I'm Shashi—a UI/UX & Web designer based in Mumbai with two years of experience working with clients from multiple industries.

I have collaborated with businesses around the world for apps and websites.

WORK™

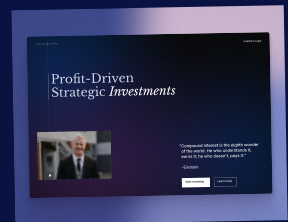

CREDIT SECRETS (NOV 23 – DEC 23)

Credit Secrets helps customers boost their credit scores, enabling them to secure loans for their needs with ease. I designed their service website and app to make them stand out efficiently and effectively.

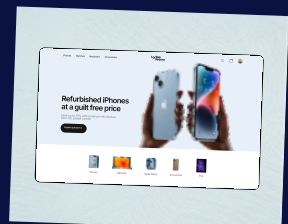

VOLMAN CAPITAL (OCT 23 – NOV 23)

This is a hedge funding website that helps clients invest in the right capitals. I crafted a gradient-blending strong business website and app for them.

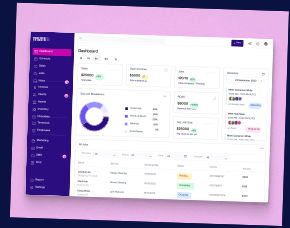

LYKE NEW (AUG 22 – OCT 23)

They sell refurbished Apple iPhones and other gadgets. They needed a visually strong website that encourages users to make a purchase. I helped them deliver the same.

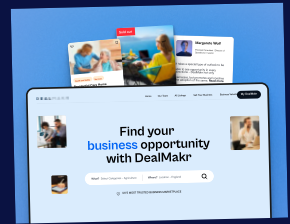

MOVE JUNE 23 – AUG 23

Move is a home service management product. I made their product user-centric and simple to use on a daily basis, reducing their complex burdens.

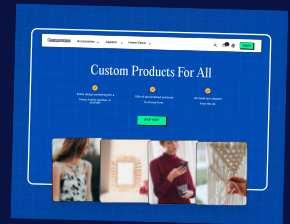

DEALMAKR MAR 23 – MAY 23

Dealmakr, a UK based company who deals in buying and selling businesses, especially in real estate. I researched and created a website and app to establish a premium-quality identity for them.

QSTOMIZE DEC 22 – FEB 23

Qstomize is an e-commerce website that lets customers choose customized products for their happy memories. I crafted a simple, user-friendly website to help them grow.

ABOUT ME

B.A. DELHI UNIVERSITY AUG 14 – JUNE 17

After completing my higher studies at GMSSS-16 Chandigarh, I pursued Geography Hons. at Shaheed Bhagat Singh College (DU). The onset of Covid-19 led me to explore the field of editing, later designing.

MOTION GRAPHICS MAR 19 – JULY 22

I began my journey as an associate editor at Bestie Inc. Later, I joined Pocket Fm as a Motion Graphics Editor, where I introduced several out-of-the-box creative concepts successively.

INDEPENDENT DESIGNER AUG 22 – PRESENT

Now as a UI/UX designer, I have been successfully building user-centric websites, apps, and products for clients from multiple industries.

HOBBIES OCT 1995-PRESENT

Some lyrics, composed music, and an ebook are among my creative pursuits over time. Additionally, I am always ready to sing any Bollywood song whenever my team wishes to listen. I also love to swim.
